5 Click the "One-off" field.

The screenshot shows a product pricing form. On the left, there's a sidebar with a list of items. The main form has a section for 'Image' with a placeholder and a 'Remove' button. Below that is a 'More options' section. In this section, there are two radio buttons: 'Recurring' and 'One-off'. The 'One-off' button is highlighted with an orange circle. Below the radio buttons, there's a field for 'Amount (required)' with a value of '\$ 0.00' and a currency dropdown set to 'USD'. There's also a 'Billing period' dropdown set to 'Monthly'. At the bottom of the form, there are 'Cancel' and 'Add product' buttons. To the right of the form, there's a summary section showing 'Subtotal', 'Tax', 'Total per month', and 'Billed at the start of the period'.

6 Click on the product

The screenshot shows a product catalog interface. On the left, there's a sidebar with navigation links: Balances, Transactions, Customers, Product catalog (highlighted), Payments, Billing, Reporting, and More. The main area shows a table of products. The table has columns: Name, Pricing, Created, and Updated. The first row is highlighted with an orange circle around the 'Product name' cell. Below the table, it says '4 results'.
